A once in a lifetime chance to join a fantastic team at a truly unique and brilliant school in warm and sunny Swanage. Could your inspiring teaching engage and excite our students to achieve in one of England's finest natural environments?

Due to a promotion, we are seeking to appoint a committed and talented maths teacher to join our established maths department. We are innovative, creative and absolutely dedicated to teaching maths for mastery and understanding. It is an excellent opportunity for someone who wants to be involved in developing our school and students in meeting the challenges of the 21st century.

The Swanage School has been created on 'human scale' principles, which means that strong and genuine relationships – within school, with the local community and with the wider world – are at its heart. We are not part of a big multi-academy trust, we are small, versatile and full of ambition for our students and staff.

Our vision is to provide an innovative, supportive and future-facing education for young people and enable the highest levels of attainment and achievement on all levels. Staff enjoy working at The Swanage School because we believe in staff and students and will always go the extra mile to make opportunities happen for staff and students alike.

The school is genuinely embedded in the community and has forged links with community groups, businesses and charities in the town and beyond. These links have broadened and strengthened the education and life experience of our students. We really are a school for the 21st Century. We make decisions firmly on the premise of what we think is best for our students, not what looks best on performance tables – although we do very well at those too.

The successful candidate will be:

- Highly ambitious for their students
- An outstanding teacher – or the desire to become one because you love your subject
- Able to build the aspirations and confidence of students
- Committed to building an exceptional and caring learning community in school

We are offering the opportunity to:

- Work with and join a vibrant, motivated team who are value driven and share the same noble purpose – building character, confidence, skills and knowledge in the next generation
- Be part of a school at the heart of its community
- Make a real difference to the learning and achievement of young people
- Benefit from a wonderful environment in which to express your passion and make your mark

- Work with a committed team of teachers and leaders who are positive, optimistic and dedicated to becoming the best teachers they can be.

Information about the school can be found on our website, along with our application form www.theswanageschool.co.uk/vacancies

If you have any questions about the school or the role or if you would like to arrange a visit to the school, please contact Jen Heath on:

Jenheath@theswanageschool.co.uk or phone 01929 500599

The Swanage School is a Free School with its own terms and conditions that broadly follow National School Conditions but with the freedom to pay salaries that will attract outstanding teachers.

As an equal opportunities employer we are committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment. Applicants for this post must be willing to undergo safeguarding screening, including reference checks with previous employers and a criminal record check with the Disclosure and Barring Service.
